BUSINESS

1. Hold the circular calling the meeting as read
2. Apologies for absence
3. Approve minutes of the meeting held 3 February 2014
4. Business arising from the minutes
5. Proposal of Planning Application – North Stoney Hill – Mr Alan Farningham, Farningham Planning
6. Shetland Leader Programme 2014-2020
7. Request for Comment – Cycling in Shetland-Road Safety Advisory Panel - Cycling In Shetland
Note: Permission has been granted to submit comment following March meeting of LCC
8. Community Council By-election 2014
9. Correspondence
 - 9.1 Comment re Late Hours Catering Extensions – PS Douglas Livitt, Police Scotland
 - 9.2 Local Policing Plan Priorities – PS A MacInnes, Police Scotland
 - 9.3 Notification for Review - Planning Application 2013/376/PPF Bankfield, Lower Sound, Lerwick – Mr & Mrs A McKay
 - 9.4 Community Council Core Funding – Mr M Duncan, Grants Officer, Shetland Islands Council
10. Financial Reports
 - 10.1 Core Funding Financial Report as at 25 February 2014
 - 10.2 CDF Funding Financial Report as at 25 February 2014
11. Funding Opportunity
 - 11.1 Lloyds TSB Foundation for Scotland
12. Parking Place for Disabled Persons Vehicle – Order 2014
 - 12.1 Cruester View
Note: New housing scheme next to Hoofields
13. Parking Place for Disabled Persons Vehicle – Revocation No.1 – Order 2014
 - 13.1 Kanterstead Road, Lerwick (at frontage of No 17 Sandveien)
14. Planning Applications
 - 14.1 **2014/003/PPF** – Erect Workshop/Store, North Ness – Mr Michael Stewart
 - 14.2 **2014/048/PPF** – North of Mavine Cottage, Lower Sound, Lerwick – Mr & Mrs S Paul
15. Lerwick Planning Applications – February 2014
16. Any Other Business

MONDAY 3 FEBRUARY 2014

At a meeting of LERWICK COMMUNITY COUNCIL held in Town Hall Chamber, Town Hall Lerwick, at 7.00pm

Members

Mr E Knight	Ms K Fraser
Mr D Ristori	Mrs A Simpson
Mr A Johnston	Mr A Wenger
Mr J Anderson	Mr W Spence
Mr A Carter	Mr A Henry
Mr S Hay co-opted member	Mrs E Williamson arrived 7.20pm

Ex-Officio Councillors

Cllr M Stout	Cllr M Bell
Cllr J Wills left 8.00pm	Cllr P Campbell

In Attendance

Ms Helen Budge, Director, Children's Services, SIC
 Mr Trevor Smith, Project Manager, Capital Programmes, SIC
 Mr Gordon Murray, Ryder Architects
 Ms Annie Say, Natural Capital
 Ms Annie Nicolson, Clerical Assistant, Children's Services, SIC
 Mrs K Semple, Clerk to the Council

Chairman

Mr J Anderson, Chairman to the Council presided.

02/14/01 **Circular**

The circular calling the meeting was held as read.

02/14/02 **Apologies for Absence**

Apologies for absence were received from Mr M Peterson, Ms A Westlake, Cllr C Smith and Cllr A Wishart

02/14/03 **Minutes**

The minutes of the meeting held on 6 January were approved on the motion of Mrs A Simpson and seconded by Mr D Ristori.

02/14/04

Business Arising from the Minutes

01/14/04 Public Toilets – Charitable Trust Proposal The Chairman reassured members that he would obtain a response from Mr J Riise, Executive Manger, Governance & Law, SIC for discussion at the March meeting of Lerwick Community Lerwick Community Council.

(Action: Chairman)

01/14/13 item 13.1 Meeting Invite – Queens Baton Relay – Sanna Aitken, Active Schools Co-ordinator, SIC

Ms K Fraser advised that she had attended the meeting.

She stated that the Queens Baton Relay would be a big event for Lerwick and that she planned to prepare a report for the Clerk to distribute to members, or for discussion during the March meeting of Lerwick Community Council.

(Action: Ms K Fraser)

Amendment

01/14/19 Mr M Peterson previously contacted the Clerk to request that the minute be corrected to state that the beach in question should be referred to as the beach at Tarland. Also, at the January meeting, he had stated that two-thirds of the beach had been regarded, not the whole beach.

02/14/05

Update – proposed New Anderson High School - Ms Helen Budge, Director, Children’s Services; Mr G Murray, Ryder Architects; Mr Trevor Smith, Project Manager, Capital Programmes; Ms Annie Say, Natural Capital and Ms Annie Nicolson, Clerical Assistant, Children’s Services

Ms H Budge, Director, Children’s Services expressed her thanks for the opportunity to provide members with a progress report regarding the proposed new Anderson High School.

She hoped that members would be able to see that the feedback from previous meetings, and open meetings, were reflected in the updated drawings and plans. Ms Budge added that that they were still engaging with, and listening to, the public and groups by way of arranging meetings and open events.

She informed members that they were ever closer to submitting a planning application.

Mr G Murray, Ryder Architects, advised that a significant change to the original plans was to bring the car park in closer proximity to the teaching block; cutting it into the hill.

Additionally, in order to assist in maintaining the context of the site, the cycle path and pedestrian route would be maintained.

The plan was for the school itself to be four storey's high, about the height of the playing field floodlights. Sensitive to the historical significance of the Broch, and Cairin's on the hill, care would be taken to keep simplicity of form and ensure that the building did not break the skyline.

Mr Murray stated that they had tried to match the idiom of a traditional building, but break down the mass by using a mix of materials such as concrete, glass and metal, and root the building into the landscape.

Mrs E Williamson Arrived – 7.20pm

To assist in breaking down the mass, materials would be fitted horizontally and vertically, on a solid base, taking into consideration the play of light onto the building and the impact of the climate.

In designing the building, consideration had also been given to facilitate future expansion, if needed.

Cllr J Wills thought that the proposed plan looked uncompromisingly modern, when it was the policy of Shetland Island's Council to respect the vernacular.

In addition, he expressed concern at the proposal to excavate part of the hillside to accommodate the car park; he suggested that building the school to the north of the site would negate the need for excavations to accommodate the car park, and leave the current Caravan and Camping site alone.

Cllr Wills stressed that he loved the layout, his concern was with the proportion of the building and where it would sit.

Mr Murray acknowledged that the design was not traditional, and never would be, but reiterated that the careful use of materials would help to break down the mass and link the building with the landscape.

Mr E Knight agreed that further north was a more suitable site for the school, leaving the Caravan Site alone.

The Chairman enquired why tin was chosen, instead of wood, to clad the building; wood was much more sustainable.

Mr Murray replied that the use of wood cladding had not been ruled out, but as it would have to be thick hardwood, there were budget implications.

Mr Knight enquired what would happen with the Helipad.

Ms Budge replied that it would have to be relocated as, although a helicopter could land on a football pitch or play park, it was recognised that it was better to land on hardstanding. The football pitches offered a clear open entry for helicopters and it was hoped that a suitable site could be identified further down from the current site, still close to Gilbert Bain Hospital.

Concern was raised with regard to the access and egress of the proposed school site; Ms Budge was asked if a one way system had been explored.

Ms Budge replied that the question had been raised in the past but Roads, SIC had expressed their apprehension. Instead, an access road to the north of the site was opted for, with the ASN department having their own specific access to the west.

Ms A Say, Natural Capital, affirmed that they were working very closely with Roads, SIC. As part of the environmental statement, traffic impact had to be studied carefully and views of community groups, residents, and the general public all taken on board.

The Chairman noted that there seemed to be no provision in the plans for a space where children could run freely and ‘have a kick about’.

Ms Budge replied that they did have aspirations for an all weather pitch, but a free space for children to run about in had not been built into the plans. They were conscious that there was not a lot of hardstanding; this had also been noted by teaching staff.

Mr S Hay enquired how flexible the classrooms and building would be; had consideration been given to making them future proof and fully adaptable to encompass additional and further education.

Ms Budge replied that they were looking at how senior phase could be delivered, not just for the proposed new Anderson High, but for Shetland Collage and NAFC.

Mr Knight enquired as to the life span of the building.

Ms Budge replied that it would be 60 years.

Concern was again raised with regard to the proposed access and egress to the site, why could the existing road not be used?

Ms Budge replied that Roads, SIC had thought the existing junction was unsuitable.

Cllr Wills again appealed for the proposed school to be sited further to the north, closer to the Halls of Residence. In addition, he expressed concern that classrooms with south facing windows would get very hot, requiring temperature control; he thought it would be more appropriate for classrooms to face east and west.

Ms Say stated that a partnership approach was being taken with regard to the Environmental Impact Assessment, helping to understand the site, and key issues and concerns, in order to mitigate effects.

Feedback was generally positive with regard to the site, although there had been concerns with regard to car parking and road congestion, and it was vital to get it right. The importance of maintaining the walking and cycle paths was clear, and a high priority, in order to assist in the health and safety of children travelling to and from school.

Ms Say stated that care would have to be taken to ensure that there was no contamination from the landfill site; a peat management plan would be put in place, quality of water in the loch retained, and flood risk assessment undertaken.

As previously discussed, consideration was being given to addressing the concerns of Historic Scotland with regard to the setting of the Clickimin Broch.

Issues relating to the construction of the school, although short term, would be given no less consideration, would be properly controlled, and the proximity of the school to residential space respected.

Ms Say advised members that when the Environmental Impact Assessment was ready, it would be made available to the public.

Mr A Wenger enquired if thought had been given to the removal of sewage.

Mr T Smith replied that a connection would be made to the existing system at Lochside, there was ample capacity, and it was likely to be pumped away.

Ms K Fraser asked what would happen to the paths at Staney Hill and the back of Westerloch.

Ms Budge replied that the path over Staney Hill would be maintained for walkers, and that some form of lighting would be considered. She was aware that there were some concerns that vehicles were using the road, but it was something that could not be prohibited.

She advised that Shetland Islands Council had purchased land to the side of the loch, including the path, and it would be maintained for walkers.

Cllr Wills enquired if the condition of the ground underneath the caravan and campsite had been investigated.

Mr Smith replied that investigations were to begin the following day.

Cllr Wills left - 8.00pm

Mr A Carter asked if the facilities at Clickimin Leisure Centre would be shared with the proposed new AHS.

Ms Budge replied that it was their aim to work together and have shared facilities, although some reconfiguration may be required.

The Chairman asked if the existing AHS site was a separate project.

Ms Budge replied that it was; Capital Programmes was looking at the site and assessing how to take it forward.

Noting the flat surface areas, either side of the Halls of Residence on the plans, Cllr P Campbell enquired if it was designed for building on, if required.

Ms Budge replied that it was.

The Chairman thanked Ms Budge and her team for attending the meeting and providing their informative and interesting presentation.

Ms Budge returned her thanks for the opportunity to present to the Council and answer members questions.

The presentation concluded at 8.05 and Ms Budge and her team left the meeting.

02/14/06

Local Fire & Rescue Plan for Shetland Islands 2014-2017

Cllr M Stout noted that the closing down of fire control rooms was not even mentioned and questioned the relevance of making any comment at all.

Mr Knight agreed with the sentiment.

Cllr M Bell echoed Cllr Stout's statement, noting that that is what happened when organisations were centralised. He added that communities would rue the day that they had lost their influence.

The Chairman replied that it was better to make savings on administration than front line staff.

Cllr Bell replied that the difficulty was that without administrative support, highly trained, expensive staff would be left doing admin staff jobs; It was not always as simple as just maintaining the frontline staff.

The Chairman conceded that it was a point well made.

02/14/07

Shetland Policing Plan Priorities (Proposed) 2014-2015

7.1 Lerwick North

Noted

7.2 Lerwick South

Noted

Members agreed that a letter should be written to highlight the vexed issue of parking under Road Policies.

Cllr Stout agreed that parking issues should be highlighted.

He informed members that he was Chairman of the Road Advisory Committee and that the issue had come up frequently. He thought that the only way to improve the situation was to recognise the need to change our own attitudes. He noted that social media could be used as a powerful tool in getting people to change their ways.

(Action: Clerk of the Council)

02/14/08

Grotty Buckie Stiles – Scotland’s Paths for All

Based on the quotes received, the Chairman advised that the total cost of the project would be around £1,700.

Members agreed that an application for funding should be made to assist covering 50% of the costs of the manufacture and installation of four stiles, signposts and boardwalk, with Lerwick Community Council providing match funding.

(Action: Clerk of the Council)

02/14/09

Correspondence

9.1 Closure of Shetland Oiled Bird Cleaning Unit – Ms Emma Smith, Communications Officer, Scottish SPCA

Noted

9.2 Closure of Shetland Oiled Bird Cleaning Unit – Prof Mike Richardson, Chairman, SOTEAG & WRCC

Noted

9.3 Disrepair-Sletts Sea Path – Mr Magnus Malcolmson, Leisure Facilities Officer, SIC

It was noted that the path had been further damaged but that Mr M Malcolmson, Leisure Facilities Officer, SIC was aware of the issue and would be tending to it.

9.4 Burgh Road Parking Increase - Mr D Coupe, Executive Manager, Roads, SIC

It was with concern that members discussed how both sides of the road, and the Montfield car park, was taken up by parked cars. It was noted that many of the cars appeared to be hire vehicles.

Mr Knight asked if anything could be done to ensure that residents could park outside their own homes.

Cllr Stout replied that the cost of introducing a resident’s permit scheme would be enormous, and that it would have to be applied to the whole of the town.

The Chairman asked the Clerk of the Council to write to BP, enquire how long they would be occupying the building for and politely request if they could please encourage their staff to park in the Gilbertson Park car park.

(Action: Clerk of the Council)

9.5 CCTV and Vehicles on Commercial Street – Chief Inspector A MacInnes, Police Scotland

The Chairman asked anyone interested in viewing CCTV in action to contact the Clerk so she could gather names and arrange a visit at a mutually agreeable time.

(Action: Clerk of the Council)

9.6 Mill Lane-Pedestrian Safety – Mr D Coupe, Executive Manager, SIC

Noted

9.7 Pavement Parking Issues-Grantfield Garage & The Red Dragon Takeaway – PS D Livitt, Police Scotland

Noted

9.8 Late Hours Catering Extensions – Ms Patti Dinsdale, Environmental Health Officer, SIC

Cllr Bell expressed concern that allowing the extension would encourage people leaving nightclubs to extend their time spent out on the street rather than drift home.

He thought it would be more appropriate for catering establishments to close before nightclubs.

The Chairman asked the Clerk to write to Police Scotland, requesting their viewpoint and put the item back on the agenda for the March meeting of Lerwick Community Council.

(Action: Clerk of the Council)

9.9 Path-Westerloch to Clickimin Centre – Ms E Skinley, Road Safety Officer, SIC

Members agreed that a letter should be written to offer Lerwick Community Councils full support.

(Action: Clerk of the Council)

9.10 Ruddy Park SPS Outfall Pipeworks – Mr R Aitken, CID Project Manager (Shetland), Scottish Water

Mrs A Simpson stated that she thought that the works done by Scottish Water was a good improvement.

Noted

02/14/10 **Financial Report as at 27 January 2014**

Noted

02/14/11 **Application for Grant Funding**

11.1 Peerie Galley Shed Ground Rent – Junior Up Helly Aa

Mr A Johnston declared an interest as a Junior Up Helly Aa Committee Member.

Mr Knight proposed that the full amount should be awarded.

This was seconded by Mr Carter.

Mr A Johnston reminded members that a long time ago, it was agreed that the payment of the ground rent would be Lerwick Community Council's contribution to the Fire Festival.

(Action: Clerk of the Council)

02/14/12 **Funding Opportunities**

12.1 Centenary Memorials Restoration Fund

The Chairman asked the Clerk of the Council to write to Mr Gary Leask to enquire if any restoration work was required to be done on the War Memorial at Hillhead.

(Action: Clerk of the Council)

02/14/13 **Community Development Fund Review**

13.1 Community Development Fund Questionnaire

Mrs Simpson proposed that the Clerk should complete the questionnaire; members agreed to the proposal.

(Action: Clerk of the Council)

02/14/14 **Application for Premises Licence**

Cllr P Campbell declared an interest as member of the licensing board for the next two agenda items.

14.1 Captain Flints – Application for Variance of Premises Licence

Concern was raised that residents in the area may be affected by the noise of people leaving the establishment during the early hours.

The Chairman argued that having a late license was more controlled rather than people leaving the licensed premises before they were ready to leave, and looking for a party to attend.

He proposed that no objections should be made to the application, provided that no objections were raised by residents in the area.

There was no counter proposal.

To clarify, Cllr Stout advised that the Community Council's stance was being sought as a formality, and any comment made would not necessarily influence a decision, but would theoretically be listened to.

(Action: Clerk of the Council)

14.2 Clickimin Leisure Centre – Application for Premises Licence

No objection

(Action: Clerk of the Council)

02/14/15 **Planning Applications**

15.2 2014/004/PPF – Demolition of Former Knitwear Factory – Judane (Shetland) Ltd, North Road – Lerwick Port Authority

No objection

(Action: Clerk of the Council)

15.2 2014/008/PPF – Demolish Existing Front Porch and Erect Extension-6 Greenfield Place – Mr & Mrs A Manson

No objection

(Action: Clerk of the Council)

02/14/16 **Lerwick Planning Applications – January 2014**

Noted

02/14/17 **Any Other Business**

Mr Carter advised that, as of today, the Caravan and Campsite was closed. He enquired if it would be possible to request an update regarding any progress in made in identifying a new site.

He suggested that the lack of a Lerwick campsite may lead to caravans being parked inappropriately in town.

Cllr Bell responded that although there were no campsites in Lerwick, there were campsites elsewhere in Shetland.

He furthered that finding a replacement Lerwick campsite was important, and they were working on it.

Cllr Stout added that they were still waiting to see how much land would be needed for the New Eric Gray Centre; there may be enough space to accommodate both projects. In addition, Shetland Islands Council was open to negotiate, commercially, with interested parties in opening a campsite.

Mr Carter asked what contingency plans were in place, in the meantime, to accommodate visitors who arrive in Shetland looking for a Lerwick site.

Ms Fraser reminded members that it was not just visitors to the Island who had to be accommodated, but locals too; something basic would suffice for the time being, with toilet facilities.

The Chairman asked the Clerk of the Council to write to Mr Gary Leask, Chairman, Shetland Caravan and Camping Development Group to ask how things were progressing with their search for a suitable site.

(Action: Clerk of the Council)

There being no further competent business the meeting concluded at 9.10pm.

Minute ends.

MR J ANDERSON
CHAIRMAN
LERWICK COMMUNITY COUNCIL

Chairman.....

Date.....

**PROPOSAL OF APPLICATION NOTICE
NORTH STANEYHILL, LERWICK
ADDITIONAL INFORMATION**

A public exhibition event presenting indicative plans for comment and attended by the project's professional consultant team including representatives of the applicants, will be held between 10.00am to 8.00pm on Wednesday 12 March, 2014 at the Clickimin Leisure Centre.

The local Lerwick Community Council and other potentially interested organisations suggested by Shetland Islands Council, local residents, adjoining neighbours/landowners, relevant MSPs, local councillors and the local MP will be personally invited to the event via the post, no later than 14no.days prior to the exhibition, while the general public will be notified via a press notice in the Shetland Times, no later than 7no. days prior to the exhibition.

Oral comments will be recorded at the exhibition, while questionnaires will also be available at the event to record and provide a forum for written comment. All comments both oral and in writing will be collated, assessed and accommodated where practicable into the proposal by way of amendment and thereafter detailed and listed within the Pre-Application Public Consultation Report prepared and submitted to Shetland Islands Council as an integral part of the formal planning application.

Subject: You Can Help Shape the Shetland LEADER Programme 2014-2020
Attachments: LEADER poster.pdf

Hi there

Shetland LEADER Programme 2014-2020

As you may be aware the current LEADER Programme 2008-2013 is now closed. The Programme awarded £2 million of EU and Scottish Government funding to 62 rural community projects throughout Shetland.

We are holding a series of workshops across Shetland to gather information and ideas which we will feed into the next LEADER programme which is due to start next year.

The workshops will take place from 6.30-8.30pm in the following venues:

Levenwick Hall – 19 February
Sellafirth Hall, Yell – 20 February
Bridge End Hall, Burra – 26 February
Bixter Hall – 6 March
Voe Hall – 12 March
Staney Hill Hall, Lerwick – 13 March

The halls will be open from 5pm to provide an opportunity for participants to meet LEADER partner organisations from both the public and voluntary sectors.

Members of the public are encouraged to attend to identify issues in their local area and share ideas for potential projects which improve life in Shetland. Public input into the approach to be taken at this early stage is essential as it will guide the kind of community projects which are supported through the 2014-2020 Programme

Light refreshments will be provided.

We hope that you will be able to attend. If you are unable to attend the event in your local area then please feel free to attend any other venue.

These are open workshops so please pass this on to anybody who you think may be interested.

For further information please contact Sheila Tulloch on 01595 744950 or email sheila.tulloch@shetland.gov.uk

Hi All

Attached is a draft leaflet on cycling in Shetland. If your Community Council would like to submit comment on this please forward them to me by Thurs 20/02/14.

I will be attending the next Road Safety Advisory Panel meeting, as ASCC delegate, on 10/03/14 and will submit comments to Elaine Skinley, SIC Road Safety Officer. The leaflet will be discussed at the meeting in March.

If you have any other road safety items you would like to bring to the attention of the Road Safety Advisory Panel please submit them to me before the meeting date.

Regards

Kate

- **EXTREMES OF WEATHER** in Shetland can all occur in one day.
 - **GALES** occur most months of the year, not just the winter months. Cyclists have been known to have to pedal downhill in Shetland.
 - **FOG** occurs regularly in Shetland and this will impact on your visibility.
 - **RAIN** can be heavy and you may become drenched quite quickly, which can impact on the balance and control of your bike.

Bike Hire

There are a number of places you can hire bikes from in Shetland.

Cycling

DRAFT

Cycle Safety tips

In Shetland

Cycling in Shetland

This is a list of top tips that you should know and observe whilst cycling. Please take the time to go through each point to make sure that you know and understand each one.

- **WEAR A HELMET** – it won't prevent an accident but, if you do have one it will protect your head. Make sure your helmet is fitted correctly, with the visor just above your eyebrows and the straps tightened.
- Make sure you observe the **HIGHWAY CODE**. There is a complete section of rules for cyclists that you **MUST OBEY**. Two of the most important rules are: you **MUST HAVE** lights and reflectors fitted on your bike when out at night, and cyclists **MUST NOT** cycle on the pavement.
- **HIGH POWERED LIGHTS** and the wearing of **HIGH VISIBILITY** clothing are recommended to enable drivers to see you from a distance.
- **KNOW** your Road Signs and **OBEY** them.
- **DO NOT** cycle on and off the kerb.
- **DO NOT** weave in and out of traffic.
- On single track roads please **PULL IN** to allow faster moving vehicles to pass you. Do not allow a queue of traffic to build up behind you, even when travelling on the main roads.
- Road surfaces in Shetland are generally very good, however unlike some European roads, we do not extend the road surface beyond the white edging lines of the road.

- **DO NOT** ride so fast that you cannot stop in time. Be aware that animals do walk out into the road.
- Watch out for other road users **SIGNALS**.
- When riding with other cyclists, form a **SINGLE FILE**.
- On your journey you will find **VARIOUS TYPES OF ROADS** in Shetland, none of which include a cycle lane.
- Watch out for pedestrians and **GIVE WAY** to them on crossings.
- **DO NOT** follow too closely behind vehicles - they may stop suddenly.
- Take extra care at **JUNCTIONS**.
- Look out for cars turning left or overtaking as they **MIGHT NOT SEE YOU**.
- **DO NOT** swing out before turning.

- Be careful passing **PARKED CARS** — the doors may open and hit you.
- Be careful **WHEN TURNING RIGHT**:
 - On single carriageways: Look behind you, and **IF SAFE**, signal then move to the right of your lane, **SLOW DOWN** and be ready to stop. Make sure that you **CHECK FOR ONCOMING TRAFFIC** before you cross into their lane, as they have right of way.
 - On single track roads: **STAY LEFT** and pull in to the side to allow oncoming traffic to pass before you turn right.

Cycling is fun and we want you to enjoy your cycling in Shetland.

Please be mindful of other road users and follow these tips to keep yourself and other road users safe.

Dear Mrs Semple

Community Council By-Election 2014

Following the close of nominations for the recent Community Council By-Elections, there were no Nomination Forms returned for the existing vacancy within your Community Council area. Therefore, the Community Council is now in a position to co-opt.

I have enclosed a Notice of Uncontested By-Election, which should be placed in a prominent place in the community

Yours sincerely

Anne Cogle
Depute Returning Officer

Subject: RE: 2014-014 Late Hours Extensions [NOT PROTECTIVELY MARKED]

GPMS Classification: **NOT PROTECTIVELY MARKED**

Katrina

On the lead up to the Christmas / New Year period 2013, when the licensed premises took advantage of the extra hour which they had been granted and closed at 3am, the Catering establishment (certainly on the first weekend) closed at the usual time of 3am.

This enabled those who wished to do so, to leave the licensed premises to buy food on their way home, but meant that the usual queue which builds up with its associated potential for disorder did not form. It appeared that the revellers dispersed more quickly and with less noise effecting the local inhabitants than if the catering premises had been open.

This arrangement worked better, from a Policing perspective, than having the catering establishments closing after the licensed premises, so Police Scotland would not be in favour of such an extension being granted.

Date: 21 February 2014

Dear Ms Semple

**The Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2013
Local Review Ref: 2013/376/PPF – LR15 - Erect dwellinghouse
and garage and create new access track: Bankfield, Lower
Sound, Lerwick, Shetland, ZE1 0RN.
Applicant: Mr & Mrs Alan & Radina McKay
Planning Application Ref: 2013/376/PPF**

Under the terms of The Town and Country Planning (Schemes of Delegation and Local Review Procedure) (Scotland) Regulations 2013, Regulation 10, I hereby inform you that a notification for review of the above case has been received in relation to the refusal by an appointed officer of planning permission for a proposal to: Erect dwellinghouse and garage and create new access track: Bankfield, Lower Sound, Lerwick, Shetland, ZE1 0RN (Planning Application Ref. 2013/376/PPF).

Copies of any representations previously made to the Planning Authority with respect to the application will be considered by the Shetland Islands Council Local Review Body when determining the review.

Should the Community Council wish to make further representations these may be made in writing to the Local Review Body c/o Planning Service, Development Services Department, 8 North Ness Business Park, Lerwick, Shetland, ZE1 0LZ within 14 days of the date of this notice. In doing so you should quote the reference for the review, which is: 2013/376/PPF – LR15, and mark them for the attention of

Mr John Holden. A copy of the representation will be sent to the applicant for comment.

A copy of the notice of review and other documents related to the review may be inspected at this office. They may also be found online on the Council's website at: <http://pa.shetland.gov.uk/online-applications/applicationDetails.do?activeTab=documents&keyVal=MV0PQNOA11000>

The review will be determined by the Local Review Body by the holding of a public hearing to which all parties involved in the process will be invited to make oral representations to the Local Review Body. You will receive a formal letter of invitation to the meeting of the Local Review Body at which the case will be reviewed in due course.

If you require further information or require further assistance, please feel free to call me on the above number.

Yours sincerely

John Holden
Team Leader – Development Management

Subject: Community Council core funding

Hi there,

I write to you in relation to the above.

Shetland Islands Council today approved core funding to Community Councils for financial year 2014/15. The funding approved is on a standstill basis and in accordance with existing scheme terms and conditions. Please note the Council also approved carry forward of surplus funds to Community Councils, where applicable. Copies of the reports to Executive Committee and Council meeting can be found on the SIC website.

In order to receive this funding, you will shortly be issued with an application form which is to be completed in full and returned to myself for processing. I trust this keeps you informed and I hope to be in touch again soon with the application pack.

If you have any questions on this matter please do not hesitate to contact me.

Best regards,

Michael D

Subject: FW: latest awards and schedule for funding surgeries

Attachments: How to UNZIP.html; SecureZIP Attachments.ZIP

Hi,

Please see information received from Lloyds TSB Foundation for Scotland. The attached Awards listing gives you an idea of what types of projects they have funded recently.

Regards,

Michael D

From: Catriona Henderson [mailto:ch@ltsbfoundationforscotland.org.uk]

Sent: 18 February 2014 10:10

Subject: latest awards and schedule for funding surgeries

Good morning,

Info on our latest awards for charities across Scotland is attached – you'll see we made 37 awards totalling £152,923.

Funding surgeries:

The next deadline for applications to the Henry Duncan Awards is 17th March, and we are continuing to run funding surgeries to help people with their applications and the dates for these are also attached. Along with a small number of funding surgeries in Glasgow and Edinburgh we are running ten funding surgeries using Skype. Last year we ran a small number of funding surgeries using Skype to see how they worked, and found they had a number of benefits for charities:

- They open up more opportunities for people across Scotland to get one to one advice about applying to the Foundation.
- People can choose when is the best time of year to have an appointment rather than having to come to a funding surgery at a time that doesn't really work for their organisation just because it is the only time one is being held close to them.
- It can really reduce the time people have to commit to getting advice as they don't need to travel.
- It also cuts down on costs as Skype is free to use and there are no travel expenses.

We do appreciate that some people don't have access to Skype and if that is the case we are encouraging them to speak to you to find out about local resources they can access. As well as this we are always happy to speak to people by phone if they have any questions about applying for funding, so everyone should have the opportunity to get tailored advice if they want it.

As always, if groups would like to make a surgery appointment they can call us on 0131 444 4020 or e-mail enquiries@ltsbfoundationforscotland.org.uk and we would be grateful for any help you can give in letting charities in your area know about this.

As well as our own funding surgeries, we do our best to attend other local funding events. If you are interested in having someone from the Foundation at a funding event you are organising please e-mail us or call us on 0131 444 4020.

Starter for 10:

Hopefully you already know about the **starter for 10** event being run by the Scotland Funders' Forum and the Scottish Grant-Making Trusts Group on 18th March. By bringing together Scotland's funders, grantmakers, policy makers and support agencies the aim is to highlight how small amounts of money can have high impact, particularly in challenging times. Cabinet Secretary John Swinney has now been confirmed as a speaker, and you can register for this free event at <https://www.eventbrite.co.uk/e/starter-for-10-registration-7533196995> and follow it on twitter at [#starterfor10k](https://twitter.com/starterfor10k)

Best wishes,

Catriona

Surgery Tour 2014

As part of its ongoing commitment to investing in the Scottish community, Lloyds TSB Foundation for Scotland holds a series of surgeries for local registered charities. The surgery is an opportunity for you to have a one-to-one session with one of our Assessors, and to discuss how to go about putting an application to the Foundation.

If you wish to attend one of the surgeries detailed below, please call us on 0131 444 4020 to arrange an appointment.

SHETLAND ISLANDS COUNCIL
(Cruester View, Lerwick)
(Parking Place for Disabled Person's Vehicle)
Order 2014

NOTICE is hereby given that Shetland Islands Council propose to make the above named Order under Sections 1, 2, 32 and 35 of the Road Traffic Regulation Act 1984, as amended.

- 1 The general effect of the proposed Order is that a parking place in Cruester View, Lerwick, at the frontage of Number 1, shall be used exclusively for the causing to remain at rest or the leaving of any vehicle which is being driven by a disabled person or used for the transportation of a disabled person and which displays in the relevant position a disabled persons badge.
- 2 Nothing in Article 1 above shall apply so as to prevent the permitting to stay at rest of any;
 - Police or Emergency Service Vehicle;
 - Vehicle used by Shetland Islands Council in the pursuance or exercise of statutory power or duties.
- 3 A copy of the proposed Order together with a plan showing the area of road affected and a Statement of Reasons for the making of the proposed Order, may be inspected at the Roads Service, Gremista, Lerwick, ZE1 0PX during normal office hours.
- 4 Any person wishing to object to the proposed Order must send an objection in writing specifying the grounds on which the objection is made to the undersigned by 7 March 2014.

**SHETLAND ISLANDS COUNCIL (VARIOUS ROADS, SHETLAND)
(PARKING PLACE FOR DISABLED PERSON'S VEHICLES)
(REVOCATION NO 1) ORDER 2014**

NOTICE is hereby given that Shetland Islands Council propose to make the above named Order under Sections 1, 2, 32 and 35 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended.

1. Effect of Order

The general effect of the proposed Order is to revoke existing traffic orders and therefore, allow disabled persons' parking places to be removed from the following roads.

2. Roads Affected by the Order

The roads affected by the Order and parking place locations are:

- Sandside, Firth (at the frontage of No 17)
- Sandside, Firth (at the frontage of No 18)
- Stendaal, Nesting (at the frontage of No 23)
- Kantersted Road, Lerwick (at the frontage of No 17 Sandveien)

3. Order Available for Inspection

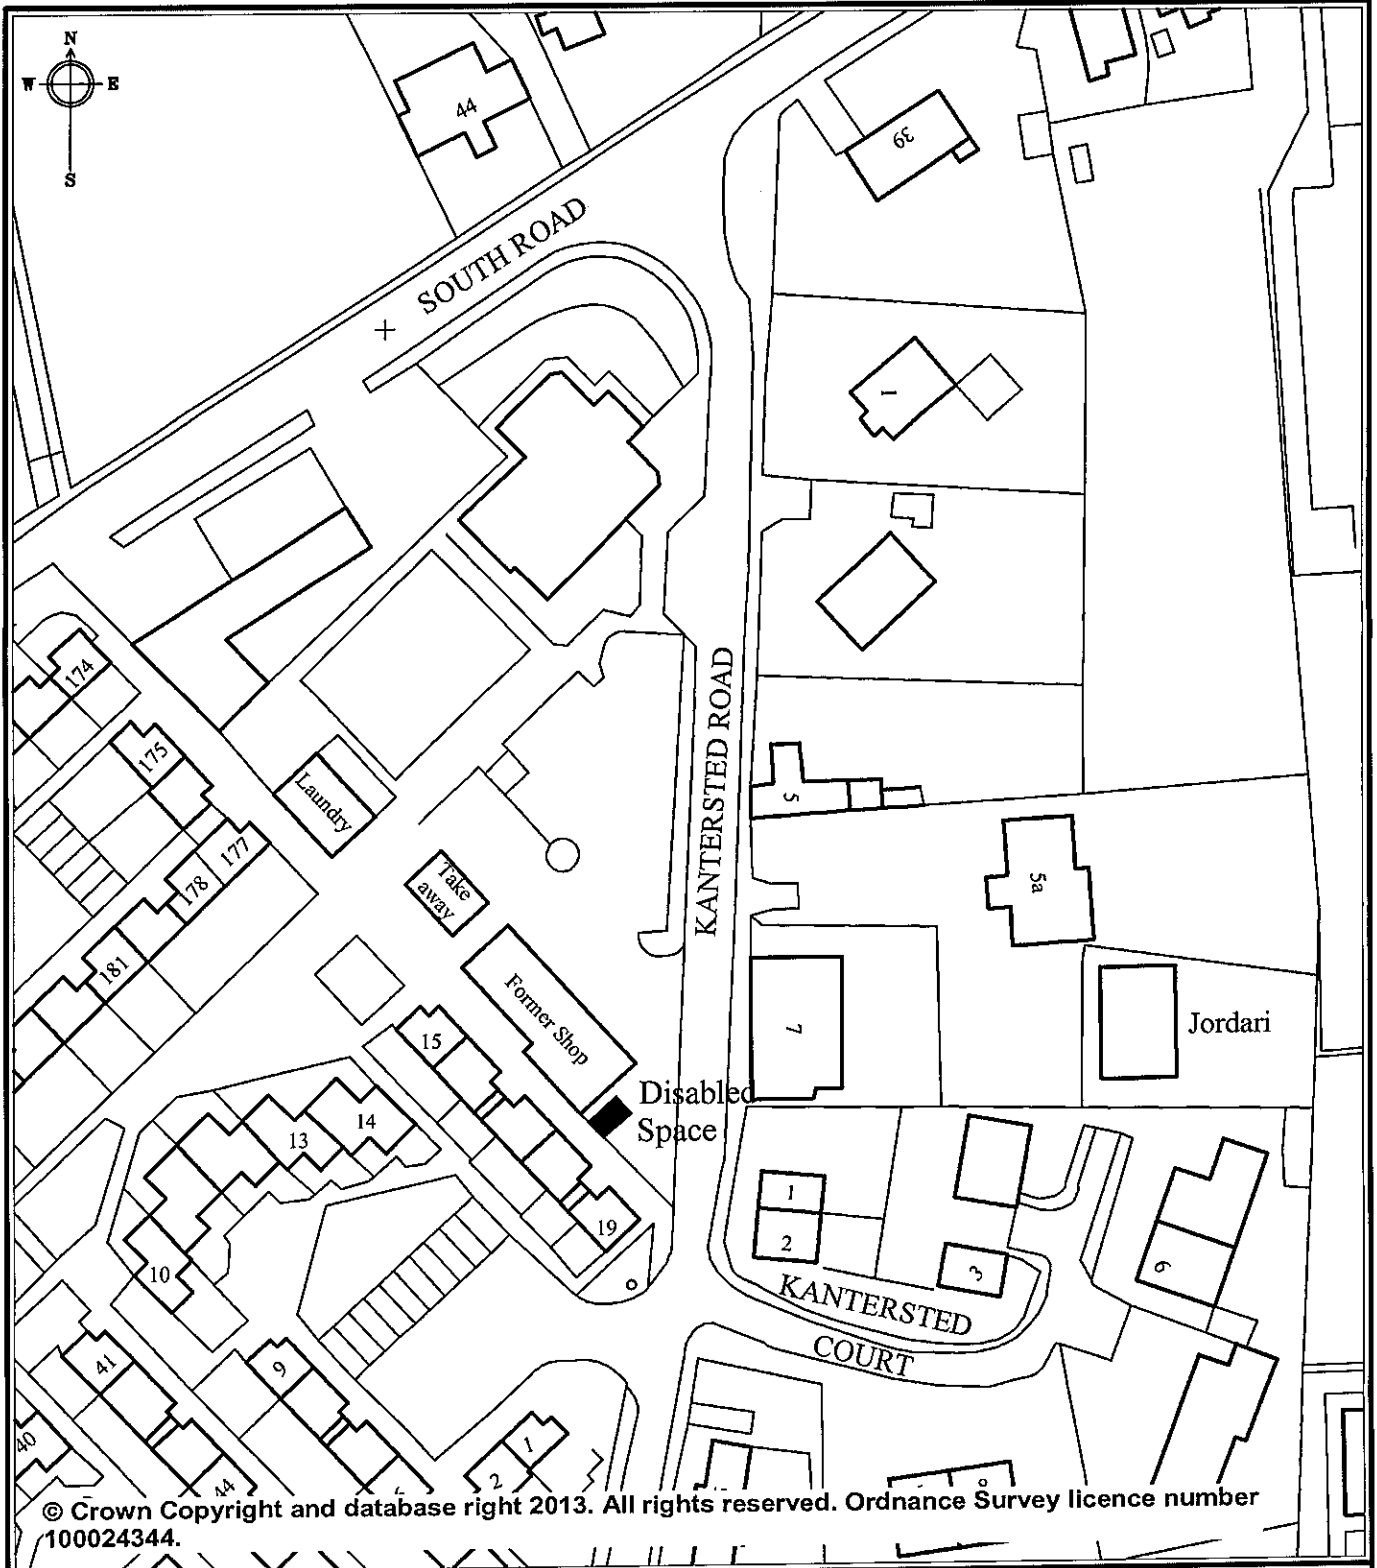

A copy of the proposed Order together with a plan showing the area of road affected and a Statement of Reasons for the making of the proposed Order, may be inspected at the Roads Service, Gremista, Lerwick during normal office hours between 9am and 5pm Monday to Friday.

4. Formal Objection

Any person wishing to object to the proposed Order must send an objection in writing specifying the grounds on which the objection is made to the undersigned by 21 March 2014.
