28th April 2016

Dear Sir/Madam,

You are requested to attend a meeting of Lerwick Community Council to be held in the Town Hall Chamber, Town Hall, Lerwick at 7pm on Monday 2 May 2016.

The next meeting of Lerwick Community Council will be on Monday 6 June 2016.

Yours faithfully,

Marie Sandison

Marie Sandison
Clerk to the Council

LCC Members Literature in Office

Shetland Amenity Trust – Annual Report 2014/2015

BUSINESS

1. Hold the circular calling the meeting as read

2. Apologies for absence

3. Approve minutes of the meeting held 4 April 2016

4. Business arising from the minutes

5. New AHS Construction – In attendance - Mark Clarke (Project Manager, Morrison Construction), Helen Budge (Director, Children’s Services, SIC) Trevor Smith (Project Manager, Capital Programmes, SIC)

6. LOOT for LERWICK – Lerwick Applications and Participatory Budgeting Updates

7. Correspondence

   7.1 School Transport Stop Assessment Reports
   7.2 Pelican Crossings – Dave Coupe – Executive Manager, Roads, SIC
   7.3 Yellow Lines – Dave Coupe – Executive Manager, Roads, SIC
   7.4 Flower Park Sports Facilities – Magnus Malcolmson, Team Leader, Leisure Facilities, SIC
   7.5 Community Path Staney Hill Grant Application – John Duffy – Paths for All
   7.6 Living Lerwick Christmas Lights Grant Receipt – Christena Irvine, Manager, Living Lerwick
   7.7 Scottish Rural Parliament Local Event – Sue Beer, Development Worker, VAS
   7.8 Community Empowerment (Scotland) Act 2015 Consultation of Draft Regulations
   7.9 Tesco Bags of Help Greenspace Funding
   7.10 CDF PB Pilot Project Funding ‘16/’17 – Michael Duncan, Community Planning & Dev, SIC
   7.11 CDF Project Upgrade Lighting at Clickimin Broch – Michael Duncan, Community Planning
   7.12 Water & Sewerage Exemption Scheme ’16-’17 – Business Stream
   7.13 Clerk Pay Rate & SIC Salary Scales – Corinne Dalziel, Administration Assistant, ASCC

8. Grant Applications

   8.1 British Royal Legion Lerwick Pipe Bank – New Uniforms – Irene Hamilton, Treasurer

9. Planning Applications

   9.1 2016/124/PPF – Erect Student Accommodation - 68 Commercial Road, Lerwick, ZE1 0NJ – Cityheart Limited

   9.2 2016/156/PPF – To build 9no. housing units (5no. – 2 person/2 apartment, 3no. – 3 person/3 apartment and 1no. 6 person/5 apartment) on site for which planning permission exists for housing – Hill Grind, Lerwick, ZE1 0GT – Hjaltland Housing Association Ltd

10. Finance

    10.1 Core Funding Financial Report 27 April 2016

11. A.O.B.
MONDAY 4 APRIL 2016

At a meeting of LERWICK COMMUNITY COUNCIL held in Town Hall Chamber, Town Hall, Lerwick, at 7.00pm

Members
Mrs A Simpson    Mr J Anderson
Mr A Johnston    Mr A Wenger
Ms K Fraser    Mr S Hay
Mr P Coleman    Mr J Fraser

Ex-Officio Councillors
Cllr M Bell    Cllr P Campbell

In Attendance
P C Lauren Stork, Police Scotland
Mr Andrew Blackadder, A B Associates
Mr Alastair Hamilton, A B Associates
Mrs Pat Christie, Community Planning & Development Officer
Mrs M Sandison, Clerk to the Council

Chairman
Mr J Anderson, Chairman to the Council presided.

04/16/01 Circular
The circular calling the meeting was held as read.

04/16/02 Apologies for absence
Apologies for absence were received from Mr A Carter, Mr A Henry, Mr W Spence, Mr D Ristori, Mr Ian Russell, Miss S Sandison, Cllr C Smith, Cllr A Wishart, Cllr J Wills, and Cllr M Stout.

04/16/03 Minutes
The minutes of the meeting were approved by Mrs A Simpson and seconded by Ms K Fraser.

04/16/04 Business Arising from the Minutes

Rock-breaking
Mr A Wenger mentioned that his comments last month were not about the rock breaking taking place in general, but only the problem with it happening on a Sunday.

Morrison Construction
Mr Anderson explained that Mark Clarke, Project Director for Morrison Construction was to be invited to the next meeting.
(Action: Clerk to the council)
Haldane Burgess
Mr Anderson said that the reply from Roads had not mentioned the flooding at Haldane Burgess Crescent; this was to be followed up for the next meeting.

(Action: Clerk to the council)

04/16/12

Police Scotland Report

Mr Anderson welcomed PC Lauren Sturrock to the meeting.

PC Sturrock informed members that the Police had been proactively dealing with the street traffic and parking issues. A number of fixed penalties had been issued.

The Police Questionnaire was mentioned and PC Sturrock encouraged the community council to fill it in. It was agreed to complete this and email it to Headquarters.

PC Sturrock asked if anyone had any questions.

Mr Anderson said that he was pleased to hear that the street traffic was been clamped down on and that parking tickets issued were now into double figures.

Mr Anderson mentioned that community councillor, Alastair Henry had emailed through comments regarding the faded yellow lines on the street and signage. The email was read to members.

Members discussed the need for yellow lines and it was agreed to write to Roads and ask for these to be re-painted.

(Action: Clerk to the council)

Mrs Simpson stated that notices were in-place to highlight the pedestrian area. She suggested the use flashing lights or perhaps CCTV camera so that the Police could watch and identify vehicles.

PC Sturrock replied that it was difficult to identify vehicles and pick-up the registration details. She explained the back-log of work that would be created watching footage and suggested the use of social media to get the word out. Fines of thirty pound and forty pound had been issued and these would be a deterrent.

Mr Fraser wanted to highlight the fact that the 101 telephone number, that the public were encouraged to use was not free. He was concerned that young people with no credit would perhaps have no way of making contact.

PC Sturrock suggested completing the questionnaire and mentioning this there and having access to a local number.

Mr Hay stated he was unclear about the distinction between using the 101 number and 999. He asked when the use of 101 was appropriate.

PC Sturrock replied that if there were no threats to life or property then 101 would be appropriate. She said that the use of 999 was to be used in an emergency situation.
Mr Anderson thanked PC Sturrock.

PC Sturrock left at 7.15pm

04/16/05

**Hjaltland Housing Association Staney Hill Development – Andrew Blackadder and Alastair Hamilton, A B Associates Ltd.**

Mr Anderson welcomed Mr Blackadder and Mr Hamilton to the meeting.

Mr Hamilton said that planning consent was given over a year ago. A principle condition was that a masterplan be prepared. A team consisting of the Hjaltland Housing Association, Andrew Blackadder and himself wanted to hear from everyone with an interest in the area of the development, residents and the community council. Some pupils from Anderson High School S4 were to be involved in some way.

He informed members that at every stage leaflets and public drop-in, workshops, website, Facebook, advertising and questionnaires would be used. They were looking at the initial ideas and what the constraints were for the site. At a later stage towards the end of August/September, they were to form options for the development, and were also looking for comments on this.

Following that the masterplan would be drawn up towards the end of year. He said that tonight’s presentation was to make the community council aware of the phases of the development, if they had any views and also who should be consulted. Mr Hamilton mentioned arranging a special meeting and workshops.

Mr Anderson enquired about the initial consultation and asked if there would be a public drop-in session in perhaps the Staney Hill area. He wondered if it would be during the day and a workshop in the evening.

Mr Hamilton mentioned the use of leaflets in the area, information in the press and radio and a questionnaire with the leaflets. Displays were to be held in the Clickimin Centre or the Toll Clock Shopping Centre for a number of weeks displaying panels and maps. This would lead up to drop-in session for the public either at Staney Hill Hall or the Clickimin Centre.

Mr Blackadder said that the plan was that the process be completed three times throughout the year, so that responses can be considered before a draft Masterplan is drawn up. While predominately housing the site could potentially contain open spaces for play, recreational use, and the option of having small employment units on site. He said it was important to consider the site development for neighbouring areas.

Mr Simpson agreed that it was not the easiest site and enquired about the use of rock breaking and the possible effect it would have on the new school.

Mr Hamilton commented that the spine road that ran east to north of the site would be the nearest part to the new roundabout. He said that the main residential development was well away from the school on the other side of the hill, the north side. He stated that it was an environmental issue to be dealt with and that there were not only mechanical ways of doing the rock breaking.
Mr Fraser pointed out that the strongest argument for having the new school sited where it is was the fact that the kids were not going to be educated on a building site.

Mr Anderson asked if there would be a series of planning applications and enquired about the initial planning outline.

Mr Blackadder said that yes the development would be spread over ten years and that funding would be stage by stage. He confirmed that there was to be an overall Masterplan design for the site.

Mr Fraser asked about plans for consultation with the people living in nearby houses and asked how they were to be approached.

Mr Blackadder replied that that would be up to Hjaltland Housing and confidential to them.

Mr Blackadder asked if the community council wanted a special meeting or if coming along and chairing a workshop would be a possibility.

Mr Anderson suggested that attending a workshop with all parties in one room would be beneficial.

Mr Wenger asked about having regular updates every so often.

Mr Blackadder replied that a website was to be established along with Facebook, so that regular updates could be complied. He suggested that it would be helpful to have the community council involved. He stated that it was to be a long term development in Lerwick.

Ms Fraser asked about leaflets to households in the vicinity.

Mr Blackadder responded that seven hundred households would be sent leaflets; areas would include the Staney Hill, North Lochside and the North Road.

Discussion took place on the community council participation and members were happy to attend a workshop, meetings and to be fully engaged with the planning of the development.

**Mr Blackadder and Mr Hamilton left at 7.35pm.**

---

**04/16/06  Loot for Lerwick – Logo Competition/Application Form/PB Funding Offer**

Mr Anderson informed members about the competition held for the Logo used on the Application Form for Loot for Lerwick. He commented on the good number of entries and the winning entry from Freya Masson from Bell’s Brae Primary School.

Mr Christie mentioned that Delting were moving forward with their Participatory Budgeting Event in April and three community councils in the south mainland were working together on a PB Event to be held in June.

---

**04/16/07  Correspondence**
7.1 Scottish Government Review of Strategic Police Priorities

Mr Anderson suggested that members log in to make any comments.

7.2 Community Planning under the Community Empowerment Scotland Act 2015

Following brief discussion it was suggested that this be rolled over to the next meeting and members were to feedback any comments to the Clerk. A formal response could then be sent on behalf of the community council.

7.3 Letter to Chief Inspector Lindsay Tulloch – Cynthia Adamson, Living Lerwick

Mr Anderson said that it was an unfortunate accident on the street and asked if any members had any comments to make.

Ms Fraser suggested the use of flashing lights around the signs and that Living Lerwick might be interested in funding that.

Cllr Bell mentioned that there were many regulations regarding signage, but they could ask about this. He said that the Police should be congratulated on the action that they have taken. He suggested that similar action several times a year would be a helpful solution in dealing with the problem.

Mr Wenger thought that the signage didn’t make a difference. He asked if drivers were even aware of the restrictions and signage in place.

Mr Knight commented that there was no publicity with fixed penalties and thought that if the numbers were published it would help. He stated the lack of a traffic warden and that Police have nothing to do with it.

Mr Anderson thought that the increase in fines would be passed around by word of mouth.

7.4 Paths for All

Mr Anderson said that he was happy that we could progress with this application. (Action: Clerk to the council)

7.5 Da Voar Redd Up 2016

Mr Anderson asked members if they would like to consider having community council team for this event. He enquired if Ms Fraser would be active her neighbourhood.

Ms Fraser replied that she would and invited any members to join her.

Mr Fraser mentioned areas that they were in need of a cleanup, such as near the Co-op.

Mr Anderson suggested they contact Shetland Amenity Trust for a map showing areas that are being done and any that needed volunteers.
(Action: Clerk to the council)

7.6 Build Up of Grit on Road

Mr Anderson informed members that a reply had been received from Roads and the contractors were to be contacted. He suggested that the problem at Haldane Burgess Crescent be raised again with them.
(Action: Clerk to the council)

7.7 Lights for Hayfield Play Park

Mr Anderson said that he was satisfied with the response and happy to learn that due to the current financial situation that fitting of lights was not standard.

7.8 Bell’s Brae School Trip

Mr Anderson informed members that they had been sent a grant application form.

Mr Fraser said that he was not opposed but enquired if it was the remit of the community council to help individual families and that they might be inundated with applicants.

Mr Anderson said that they had been asked to submit a formal application and clear guidelines were in place. He suggested that by completing the proper application form with the criteria necessary the community council could then respond. He asked if all were in favour.

No objections were noted.

7.9 Royal British Legion Lerwick Pipe Band

Due to the lack of contact details it had been difficult for the Clerk to follow up. Mr Anderson suggested contacting Mr Leslie Angus.

It was also suggested that they be invited to perform at the PB Event in May.
(Action: Clerk to the council)

7.10 Shetland Festival of Remembrance – Major A J Taylor

It was agreed that we write and ask that a grant application form be submitted.
(Action: Clerk to the council)

7.11 By-Election Result

Mr Anderson pointed out that the community council had two vacancies and asked if members knew of anyone who might be interested in being co-opted as a member.

7.12 Shetland Relay for Life – Martin Henderson

All members were happy for gel filters to be installed on the lights at the Clickimin Broch during the night for this event.
7.13 Policing Questionnaire – Julian Innes, Chief Superintendent, Police Scotland

Mr Anderson asked members if they had had time to look through the three questions.

Members discussed the issues that affected the policing priorities for the area and the reasons why these priorities were important to the community.

The community council listed the top three policing priorities for the community as being able to make contact with local police officers at all times, police tackling the misuse of drugs and alcohol and enforcing traffic fines and penalties in the town.

The community council agreed that the local police offered an excellent service and this was apparent in the high detection rates. Police officers were available to attend meetings and happy to answer questions. A monthly report was often sent through to the clerk and circulated. Mention was made again regarding the centralisation of some police services and the effects on the community.

(Action: Clerk to the council)

Planning Applications

Cllr M Bell and Cllr P Campbell declared an interested as members of the Planning Committee.

8.1 2016/040/PPF – Erect Bio Mass heating cabin and underground district heating pipe work – Shetland Recreational Trust, Clickimin Centre, North Lochside – North Fish (Shetland) Ltd

Mr Coleman asked if Historic Scotland should not be consulted due to being situated so near to the Broch.

Mr Anderson replied that the container would be situated at the back of the building and wouldn’t be seen.

No objections.

(Action: Clerk to the council)

8.2 2016/097/PPF – To extend existing dwelling house, form vehicle access from the street and create driveway – 13 St Sunniva Street, Lerwick – Mr George Sutherland

No objections.

8.3 2016/092/PPF – Retrospective change of use for Viewforth House to be used as Management Accommodation Facility – Viewforth, 13 Burgh Rd, Lerwick – Frank Allen Strang

Mr Anderson informed members that there were to be no visible changes to the building.
Mrs Simpson mentioned that there was no problem with parking during the day as the premises had additional parking.

Ms Fraser stated that there hadn’t previously been an application for the change of use for the premises.

Mr Coleman had no problem with the application and was glad to see it being used instead of standing empty.

No objections.  
(Action: Clerk to the council)

04/16/09  
Finance

9.1 Core Funding Financial Report April 2016  
Mr Anderson asked if there were any comments or queries regarding the finance.  
No comments.

9.2 CC Core Funding 2016/17 – Mr Michael Duncan  
Noted.

9.3 CDF Distribution Acknowledgement  
Mr Anderson pointed out that the amount granted, was towards the PB Funding and resulted in a total of £10,000 for the event in May.

9.4 CDF Project – Letter – Mr Michael Duncan  
Mr Anderson explained the response from Michael due to the lack of visible results with the Information Panels project. He informed members that Eileen Brooke-Freeman was in the process of tidying them up before being sent away. They would take four weeks in production and hopefully be here before the tourist season started.

9.5 RB Electrical Quote for LED Floodlights at Clickimin Broch  
Noted.  
(Action: Clerk to the council)

04/16/10  
Licence Variation

10.1 Application for Variation of Premises Licence – Douglas Arms, 67 Commercial Road, Lerwick – George Hepburn, KGQ Hotels Ltd, c/o JW Grey & Co, Gremista, Lerwick

Mr Fraser mentioned that this would be just to allow children to play music when accompanied by an adult.

Mr Anderson said that they were often playing as part of a band and supervised.

No objections.  
(Action: Clerk to the council)

04/16/11  
Any Other Business

Pedestrian Crossing Lights  
Mrs Simpson said that the pedestrian crossing lights were still out of action near the hospital and asked about enquiring at what stage they were at with this.
Mr Anderson agreed that they would write to Roads and ask.

**Flower Park Leisure Facilities**
Mr Fraser has previously mentioned the flower park leisure facilities not permanently manned and the possibility of using Islesburgh Community Complex to collect and return from there.

The clerk informed Mr Fraser that a letter had been sent, but no reply had been received.

Mr Anderson agreed that they chase up and ask.
*(Action: Clerk to the council)*

**Loot for Lerwick/Skate Park**
Mrs Christie wanted to offer help with completion of Loot for Lerwick Application forms from herself, Elsa Manson or Michael Duncan from community planning and development.

Regarding the Skate Park she had not so far had time to get back to them, but would be doing so.
*(Action: Mrs Christie)*

**Pointing of flagstones in Lanes & Sign Poles at Ladies Drive**
Mr Wenger asked about his email regarding the flagstones and sign posts.

Mr Anderson replied that a response had been received from Mr Neil Hutchison informing the community council that the work was to be done.

**Additional agenda items**

**Cycling Community Project Funding**
Mr Anderson informed members that this item came too late for the agenda. Up to five thousand pounds was available to deliver local cycling projects. The closing date for applications was 3rd May, so tight time scale. He suggested that the Clerk circulate and if any member has any ideas to come back and also to send to Elaine Skinley who had worked on the cycling leaflet.
*(Action: Clerk to the council)*

There being no further competent business the meeting concluded at 8.40pm.

*Minute ends.*

MR J ANDERSON  
CHAIRMAN  
LERWICK COMMUNITY COUNCIL

Chairman.................................................................

Date.................................................................
Hello,

Could you please share this with all the members of your respective Community Councils.

Pat and I thought it would be a good idea to send out a progress update to all the community councils involved in the PB Pilot Project so that you have an understanding of how things are progressing elsewhere. Applications for the Delting and Lerwick projects have now closed and both have a good number of applications totalling more than the available funds so a good competitive process. One thing that has been noted is the very last minute nature of most of the applications but good to have plenty. I hope you are all finding the process worthwhile and we are happy to answer any questions if you have any.

Dosh for Delting Update:
- 12 applications in total
- Voting Day Saturday 14th May 6pm in the Brae Public Hall
- Posters/Flyers/Leaflets going out to advertise voting day
- Voting form & Feedback Form Completed
- Voting Day Details still to be finalised

Loot for Lerwick Update:
- 19 applications in total
- More organisation to be done i.e. finalise voting forms; book MC; etc.
- Lerwick Pipe Band to do the entertainment
- Date of Event Saturday 21st May at the Islesburgh Community Complex 10am – 1pm.

South Mainland Decides Update:
- To send press release next week
- Application forms and poster to be finalised tonight
- Floor Plan to be organised for stalls
- Levenwick hall to do the catering
- Date of Event Saturday 18th June at Sandwick Social Club – time to be confirmed

Kind Regards

Roselyn Fraser & Pat Christie

Dear Community Council Chair

School Transport Stop Assessment Reports

Please find enclosed the Stop Assessment Reports and Maps that I have received from the Roads Service detailing school transport in your community.

I appreciate that there has been considerable delay in me being able to send this to you. We have been waiting for transport operators to confirm their stops and routes; some have yet to do so therefore the information enclosed may not be accurate for your area. However I have taken the decision to send on to you the information that we now hold for your records.

If you require an electronic copy of this pack please do not hesitate to contact us.

Yours sincerely

- **Speed Limit:** 30mph  
- **Average Speed:**  
- **85% Speed:**

**Approach Direction 1:** North  
**Approach Visibility 1:** 90m+  
**Visibility Requirement 1:** 90m

**Approach Direction 2:** South  
**Approach Visibility 2:** 90m+  
**Visibility Requirement 2:** 90m

**Crossing Point 1:**

**Crossing Point 2:**

**Bus Shelter:** No. 3 bay bus shelter to north  
**Street Lighting:** None

**Winter Maintenance Route:** Priority 2 - Treated before transport

**Accident History in Area:**

**Parking for Parents/Carers:** Not really as cars would block junction to lower hillside

**Comments/Observations:** Bus stops in road and blocks road with tail of bus. No bus shelter at this location. Bus shelter north of Langhouse with 3 bays set back 1.5m from the road of 3m width. Approach visibility from the north at this point is only 70m. Large number of children at this pick up point so a larger area will be required than the 1.5m footway.

**Improvements:** Stop requires a bus shelter to be provided and a wider section of footway.

---

Dear Mrs Sandison

Pelican Crossings

Thank you for your letter of 13 April 2016 regarding the above matter.

New pelican crossings have now been installed by Siemens at Lochside, the Toll Clock, Freefield, Church Road and the Esplanade at Victoria Pier. There is capital funding in place for a further two crossings to be replaced this year on the South Road at the Health Centre and on Holmgarth Road at the Co-op. Siemens are expected to be in Lerwick in June to undertake these installations and the maintenance checks of the other crossings.

The existing crossing lights at the South Road were repaired earlier this week. This is very much a temporary repair with reclaimed parts but should last until Siemens visit.

Should your Council have any further queries regarding this matter please contact Neil Hutcheson at the above address.

Yours sincerely

Executive Manager, Roads
Dear Mrs Sandison

Yellow Lines

Thank you for your letter of 13 April 2016 regarding the above matter.

The Esplanade and Commercial Street lie within a controlled parking zone as indicated by the large “Disc Zone” signs on Church Road, Commercial Road and at Alexandra Building. The meaning of these signs is explained in the Highway Code and its companion document titled “Know Your Traffic Signs.” The relevant excerpt states “Some areas are designated as controlled parking zones. The entry sign indicates the times when waiting is prohibited. It is important to note the times shown when entering the zone. The zone is likely to include parking places and loading bays. The times when these operate should be shown on the signs at the bays. Instead of “Controlled Zone” a "Disc ZONE" heading should be used where a parking disc showing the time of arrival has to be displayed on the vehicle when parking.”

Should a driver wish to wait or park, having entered the zone, their next course of action should be to seek out the signage that informs them of the specific details of the restriction. This is no different from a driver who encounters a single yellow line, as they then need to consult the relevant restriction plate (which may be some distance away at the end of the line) that informs them of the hours of operation of the relevant traffic order for that section of yellow line.

At each parking area within the zone, and clearly visible from each individual parking bay, there are signs headed “Disc Zone”. These also have the parking place symbol, state the duration of the restriction (8am to 5.30pm, Monday to Saturday), and identify the permitted waiting/parking period (15 mins, 45 mins or 2 hrs) for the area. These signs indicate that, even though there is a parking restriction in place (by virtue of the “No Waiting Disc Zone” signs they have already driven past), parking is permitted within the adjacent bays - but only in areas marked as bays.
The large “No Waiting Disc Zone” signs at the entry/exit to the zone still applies to all other lengths of road within the zone that have no parking bay markings. Therefore, parking is not permitted outwith the marked bays and any driver doing so is committing an offence.

The yellow lines were marked a number of years after the “Disc Zone” was introduced following a request from the Northern Constabulary. It was felt that they would help to highlight where there were no marked bays. They are an ‘extra’ that is not required by the “Traffic Signs Regulations and General Directions 2012” or the traffic order as the “Disc Zone” restrictions (No Waiting 8am to 5.30pm, Monday to Saturday) apply in the areas covered by these lines. Therefore, additional signage for these lines is not required.

These are single yellow lines because they only apply from 8am to 5.30pm, Monday to Saturday rather than “at any time.” However, in some areas such as South Commercial Street and Mounthooly Street there is an additional traffic order in place that prohibits parking “at any time.” This is needed to ensure that access is not obstructed by inconsiderately parked vehicles. There were double yellow lines at these locations but these have become faded over the years. The plate on the wall of the Post Office is not needed and we will arrange for it to be removed.

The faded yellow lines along Commercial Street and around the Market Cross have not been considered a priority in recent years. While this was partly due to our reduced budgets and the fact that they are not strictly necessary, it was also in recognition that there was little if any parking enforcement being carried out in the area following the loss of the traffic warden a number of years ago. However, I understand that the enforcement of traffic offences in this area has been given more priority recently. Therefore, we intend to meet with Police Scotland to discuss their requirements, particularly their opinion on the need or otherwise for the single yellow lines.

Should your Council have any further queries regarding this matter please contact Neil Hutcheson at the above address.

Yours sincerely,

Executive Manager, Roads
Hi Marie,

I was convinced that I had replied to the original letter saying that we would look into the issue with the provision of games at the Flower Park, but apologies if I didn’t pass on a response.

But we have looked at how games are provided at the Flower Park and I am in total agreement that it isn’t currently being utilised effectively. Islesburgh have agreed to take over the management of this service, which will increase availability to the general public and hopefully improve the service provided. We hope to have this up and running for the summer season at the start of May.

I hope this answers your question, and if you require any further information please get in touch again.

Regards

Magnus

Subject: FW: Scottish Rural Parliament local event

Dear Community Council Chair

I would be grateful if you could forward this to whoever you think might be interested both within the Community Council and to other local groups and individuals. It is my belief that the more we put in to this type of event, and at the rural Parliament in Brechin in September (into which the information gathered at these events will feed), the more we will get for Shetland from the Scottish Rural Parliament.

Everyone is welcome, but it would be useful to know in advance who will be coming for catering purposes.

Thanks for your help.

Sue

This year Scottish Rural Action is launching possibly the biggest ever conversation held in Scotland about the issues that matter most to rural communities.

The Scottish Rural Parliament’s Manifesto will be a statement of our collective ambitions and the actions that are needed to ensure these ambitions are realised for our rural communities. Events are taking place all over Scotland and you can get involved by attending an event, holding your own event or just by responding online.

These are the Shetland events:

- Friday 13th May, 12.30 to 3:00 pm, Conference Room, Market House, Lerwick
- Saturday 14th May, 10.30 am to 1:00 pm, Conference Room, Market House, Lerwick
It is free to attend and a light lunch will be provided; but please book ensure your place.

For more information and to book please contact sue.beer@shetland.org 01595 743909
All events will start with an update from Scottish Rural Action on our activities since the 2014 event, a whistle-stop tour of how rural policy has changed and the chance to have a really good natter about the issues which you want to talk about.

More details are on the Scottish Rural Parliament website: http://www.scottishruralparliament.org.uk/a-rural-manifesto-for-scotland/

Subject: Tesco Bags of Help greenspace funding – applications open 18 April

Hello Corrinne

Do you know a greenspace project in Shetland Islands Council that would benefit from funding? Local authorities, community groups and organisations can all apply for Tesco Bags of Help funding!

I’d like to introduce myself as the Tesco Bags of Help Community Enabler for your area.

The second round of Tesco Bags of Help is open from 18 April. Bags of Help is available to a wide range of community groups, local authorities and organisations across England, Wales and Scotland and they can apply for grants to improve local green spaces. Successful projects will go forward to a public vote in Tesco stores which will decide whether they receive a grant of £8,000, £10,000 or £12,000. Projects that will get the green light as a result of funding will include new pocket parks, sports facilities, schools, woodland walks and community gardens.

Bags of Help is administered by Groundwork, working in Scotland with greenspace scotland, and funded by Tesco customers from the proceeds of the 5p charge for plastic carrier bags. It will fund projects that benefit communities by physically improving open and greenspaces that do not charge for access. Groundwork anticipate grants being awarded to 144 successful groups across Scotland in November 2016.

Good luck and get going as this funding round closes on Fri 3 June 2016. Please get in touch if you need support or advice when submitting your application and sign up to our e-bulletin using the link in my signature to keep up to date with Tesco Bags of Help and other greenspace news.

Please help us spread the word in Shetland Islands Council and share this information with your networks, friends, colleagues, other groups and organisations. Feel free to use it in digital communications and e-newsletters.

Regards
Rita

It’s not too soon to start thinking about your community greenspace application to Tesco Bags of Help Scheme – next round opens 18 April 2016 http://bit.ly/bagsofhelp2

Keep in touch with information and news about greenspace…
Dear Marie

Community Development Fund - Reference: 578/4486
Participatory Budgeting Pilot Project - £3,000.00

I am pleased to inform you that your application was considered by officers of the Community Planning and Development Service under delegated authority for this scheme, and it has been agreed to award a grant of up to £3,000.00. This grant has been approved to assist with costs as detailed in the Project Schedule on page 4.

Please find enclosed the following information:

- Grant conditions
- Grant Acceptance docquet
- Project schedule

This letter is sent to you in duplicate in order that you have the acceptance docquet signed by your officer bearers. Once each officer bearer have signed the docquet, one whole copy of this grant award letter must be returned for the attention of the Grants Officer to this office prior to 10 May 2016, with the other being retained for your records.

Following receipt of the completed acceptance docquet the total amount of grant due will be paid into your group’s bank account.

Yours sincerely

Director – Development Directorate

Enc.
Grant conditions

The following conditions pertain to grant recommended:-

a) that the grant offer is accepted and returned within six weeks of the letter date. Failure to do so will result in the grant assistance being forfeited;

b) the grant shall be used for the purpose(s) specified in the grantee’s application form. Any departure from that purpose(s) shall only happen with the prior agreement of the Director, Development Department;

c) that no further applications for grant assistance under this scheme shall be considered until all previous awards for grants have been fully vouched and the evaluation form for this grant has been completed and returned;

d) that the grantee has in place policies and procedures for their organisation that meet the requirements of the Protection of Vulnerable Groups (Scotland) Act 2007 and which adequately address child protection and adults at risk of harm.

e) that all grant assistance approved shall be spent by 31 March 2017. Any unspent grant may be repaid to the Shetland Islands Council.

f) that the grantee shall make available for inspection by Council officials any equipment, etc. pertinent to this grant;

h) that all publicity material for Special Events and Development initiatives shall give recognition to Shetland Islands Council, Development Department, e.g. the Council crest should be included on all posters, advert etc.

i) that the grantee shall, if and when required by Shetland Islands Council, allow any officer or agent of Shetland Islands Council, on reasonable notice, access to the premises to inspect the works for which the grant is being given, and that the grantee shall also supply such information as Shetland Islands Council may require in regard to such works;

j) the Council shall be entitled to receive such information as it may require in regard to or in connection with any matter relating to the grant and the grantee shall, if requested, supply the Council with such information and in particular a copy of every Balance Sheet, Income and Expenditure Account and other accounts of or relating to the grantee;

k) the grantee shall keep proper financial records and books of account to the satisfaction of the Council and all such records and books of account in respect of the grantee shall be at all reasonable times open to the inspection of the Council through such person or persons as the Council may from time to time appoint for such purpose;
l) that in the event of any of the foregoing conditions being breached, the Shetland Islands Council grant may be repayable in full or in part at the sole discretion of the Director, Development Department.

m) that the grantee shall join the on-line Shetland Community Directory website and ensure that its contact details are kept up to date.

Grant Acceptance docquet

We, the office bearers of Lerwick Community Council have read and understood the conditions specified above and agree to accept and be bound by those conditions.

When vouching for this grant you must submit all eligible paid receipts and invoices to the Grants Unit for assessment.

In the event that the actual project cost is less than the estimated project cost, we will apply the above **Grant Rate (%)** against your actual eligible project expenditure and will thereafter notify you in writing to advise the amount of grant aid that must be repaid.

Please note Community Development Fund grants must be accounted for within one year of the date on this grant offer letter, unless you have had prior approval from the Director, Development Department, or his nominee.

**Grant Rate (%) = Grant Approved / Eligible Project Costs x 100**

All documentation should be submitted to the Grants Unit, c/o Solarhus, 3 North Ness, Lerwick, Shetland, ZE1 0LZ.
Scottish Government water and sewerage charge exemption scheme response(s)

Notification issued on 06/04/2016

Supply address
Office, Stouts Court, Lerwick, Shetland ZE1 0AF

Customer reference
2171524

Water Supply Point ID (SPID)
101168950104

Waste Water Supply Point ID (SPID)
101168950201

Your application has been successful and full exemption from your Business Stream water and waste water charges will be applied to your account from 01 April 2016 until 31 March 2017.

We'll send you an invoice detailing your billing position up to and including 31 March and any balance owed will be due for immediate payment. If you currently pay by direct debit due to your exemption status we'll instruct your bank to cancel the arrangement. This means you'll need to pay any outstanding charges owed to us by other means.

If you have paid for water and waste water services over the period that you are now exempt for we'll refund that amount back to you.

If you wish to remain on the Scottish Government water and sewerage exemption scheme after 31 March 2017 you'll need to reapply by using the online application form on our website (https://www.business-stream.co.uk/water-rates-charges/water-charge-exemption-scheme/apply-for-an-exemption).

We've added your details to our exempt customer database and will let you know when it's time for you consider reapplying.

If you'd like any more information about our services or have any questions, please contact our customer response team.
Dear all

Please see attached the SIC salary scale for 2016/2017. At the recent ASCC meeting on Saturday 9th April, it was decided the H2 would be the recommended pay grade for Community Council clerks. The rate of pay for an H2 post for 2016/2017 is £13.28 inclusive of Distance Island Allowance. This is a recommendation made using guidance from the SIC. The final decision of clerk pay rate is that of individual Community Council’s to agree at its own discretion, not the ASCC’s.

Kind regards,
Corinne

*Distant Islands Allowance (DIA) currently £1,998 which equals approx £1.0349 per hour.
APPLICATION FOR GRANT

Name of group/organisation: Royal British Legion Lerwick Pop Band
Contact name & position held: Irene Hamilton - Treasurer
Address: Commercial Road, Lerwick, ZE1 0LN
Mobile & telephone numbers: Irene - 693219 / Gogie 692246
Email address: irene_hamilton@rrnuk.co.uk

Details of project: (This should include how the grant will be spent and what outcome(s) would be achieved should the grant be awarded)

To purchase new uniforms to replace adult ones that are now approx 23 years old. We would also like to replace drums but this may be difficult at the moment. Outcomes would be a band that Lerwick and members of the band could be proud of and allows a more "uniform" look to the band.

Type of organisation (e.g. voluntary / charitable): CHARITABLE

Number of members in group/organisation: 36+ and what percentage reside in Lerwick: approx 86%
Although a relatively small group a large number of residents do benefit from their playing.

Number of residents in the Lerwick area likely to benefit from project - Adults: 25 - Children: 10

Current financial position of group/organisation: £1,426.65 at 31/12/15
Costs of proposed project: Approx £1,930 for 2 bagpipes, £4,825 to buy 40 sets.
Funding/grants received from other sources (e.g. fundraising): £4,000.00 towards purchase of new bagpipes. Plans are for 26 April + Bag Race in the summer.
Grant requested from Lerwick Community Council: £2,500.00
Details of last grant received from Lerwick Community Council: £500.00 to 2012
Date: December 2012 Amount: £1,500
CONDITIONS OF GRANT

- Established groups/organisations must submit a copy of their last audited accounts and a copy of their most recent bank statement.  
- Applications from Shetland-wide groups will not be considered (except in exceptional circumstances).
- A new group/organisation may receive a small establishment grant.
- Applications should be made prior to project commencing, therefore no retrospective applications will be considered.
- Although grants will be approved in advance, no grant will be paid until the work is done and a receipted invoice is submitted to Lerwick Community Council.
- A written acknowledgement is required once you have received your grant.

IMPORTANT
Any funding offer made will be paid on a pro-rata basis and may be rescinded if funds are not claimed within 12 months of the offer letter date.

I (print name and position held): [Signature]

of (group/organisation): [Signature]

hereby apply to Lerwick Community Council for financial assistance towards the cost of the proposed project detailed on page one.

A copy of the last externally examined accounts and/or a copy of the most recent bank statement are enclosed.

(please tick appropriate box)
- We have previously been through grant process with Shetland Islands Council (SIC) Education & Social Care Grants Unit and give permission for the Community Council to contact the SIC Grants Co-ordinator to confirm that we have the appropriate Child Protection Policy & Procedures in place.
- We have not previously been through the grant process with SIC Education & Social Care Grants Unit and enclose a copy of our Child Protection Policy & Procedure. We give our permission for the Community Council to check with SIC Grants Co-ordinator to ensure the enclosed documents comply with Child Protection requirements.

Signed: [Signature] Date: 22/4/16
CHILD PROTECTION DETAILS

From 1st April 2010, if your organisation is applying for grant assistance from this scheme, and you provide services, activities or projects for young people up to the age of 18 years old, then you must comply with the requirements of the Protection of Vulnerable Groups (Scotland) Act 2007 which supersedes the Protection of Children (Scotland) Act 2003. The PVG Act introduces a new concept of 'regulated work' which covers both children and protected adult (for information on regulated work with adults guidance material can be sourced on the following web link www.scotland.gov.uk/topics/people/young-people/children-families/pvglegislation). Individuals doing regulated work qualify to apply to become members of the PVG Scheme.

Your group must have policies and procedures in place that adequately cover child protection and welfare issues. The following questions will help your decision.

Q1a Does your group organise activities for children and young people under the age of 18?

- [ ] Yes
- [ ] No

Q1b Does your group arrange activities attended by children and young people under the age of 18 and have staff or volunteers carrying out regulated work as defined in the PVG Act.

- [ ] Yes
- [ ] No

If you answered no to both question 1a and 1b, go directly to signatory section

If you answered yes to either, or both, questions 1a or 1b, please complete questions 2, 3 and 4:

(Please note that if you have answered yes to either, or both, questions 1a and 1b, your organisation MUST have ALL of the following policies and procedures in place in order to receive any grant assistance.)

Q2a Does your organisation have an approved Child Protection Policy?

- [ ] Yes
- [ ] No

Q2b Does your organisation have an approved Child Protection Procedure?

- [ ] Yes
- [ ] No
Q2c Does your organisation have an approved Equal Opportunities Policy?
Yes [ ] No [ ]

Q2d Does your organisation have an approved Code of Conduct for staff and volunteers?
Yes [ ] No [ ]

Q2e Does your organisation ensure that staff or volunteers doing regulated work are scheme members? Check?
Yes [ ] No [ ] Not Applicable [ ]

Q2f Does your organisation take reasonable steps not to appoint anyone who is unsuitable to work with children or who is disqualified from working with children?
Yes [ ] No [ ]

Q3 How does your organisation access Scheme Membership Checks for its volunteers? Please tick one of the following options: (tick)

- Voluntary Action Shetland (VAS)
- National Governing Body
- Other (please specify)
- Not Applicable (please let us know why. You should use the space below* to explain why your volunteers do not undertake Disclosure Checks)

Q4 Are you satisfied that your organisation complies with the requirements of the Protection of Vulnerable Groups (Scotland) Act?
Yes [ ] No [ ]

Contact address
C/o Royal British Legion Lerwick Branch, Commercial Road, Lerwick, Shetland ZE1 0NL

Recruitment and appointment of Trustees
All of the trustees are appointed or reappointed by the members at our annual general meeting, which is held each year. Appropriate induction is given to trustees on appointment.

Governing document
The Lerwick Royal British Legion Pipe Band is a charitable unincorporated association and the purposes and administration arrangements are set out in our constitution.

Charitable purposes
The purposes are as recorded in the constitution. The objects are:

- Promotion of ensemble playing of Highland bagpipes and drums and the teaching of the arts of piping and drumming.
- To provide or assist in the provision of recitals and other appearances in public and for the benefit, enjoyment and education of the public.
- To provide a resource for the education and training of pipers and drummers.

Activities and achievements
During the year, the band (and junior drummers) has continued to meet and practise on a Wednesday night with separate youth pipers meeting on a Monday night. The band took part in the following:

- Up Helly Aa (Lerwick, South Mainland and Scalloway)
- Shetland Sea Scouts Gala
- Remembrance Day Parade

Fundraising carried out
- Various members played for community or individual events
Grants received
  • No grants were received in the year however the band were successful in receiving additional donations from BP.

Fundraising
  • A

Trustee remuneration and expenses

The trustees did not receive any remuneration or expenses during the year.

Reserves

As a result of the surplus of £ for the year, the band held unrestricted funds of £ at the year end.

The Committee consider the general fund of £1,976 will enable us to purchase the items required for the future. The Fund operates to date within the budgets set out and the reserves are maintained at a level to ensure sufficient funds are held to meet commitments.

Plans for future periods

No significant changes are planned, although further fundraising will be required.

Approved by the trustees and signed on their behalf

L Angus, Chairman

1 March 2016
I report on the accounts of the charity for the year ended 31 December 2015 which are set out on pages 2 to 5.

**Respective responsibilities of trustees and examiner**

The charity’s trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(d) of the Charities Accounts (Scotland) Regulations 2006 does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner’s statement**

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanation from the directors concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner’s statement**

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
   - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
   - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Independent Examiner Name:

1 March 2016
Child Protection Policy statement

We are committed to safeguarding the welfare of all children and young people. All reasonable steps will be taken to promote safe practices and to protect children from harm, abuse and exploitation.

We will

1. Implement our recruitment / enrolment procedures for appointing staff, volunteers and helpers to ensure that reasonable steps are taken not to appoint a person who is unsuitable to work with children or who is disqualified from working with children.

2. Ensure that all staff, volunteers and helpers in our group are aware of their responsibility to protect children and young people. A child will be considered to be anyone under the age of 18.

3. Promote the rights of a child to be listened to and to be taken seriously so that the child is able to express their views, thoughts and concerns.

4. Ensure that staff, volunteers and helpers are aware of and adhere to our code of conduct and child protection policy and procedures, a copy of which are attached.

5. Ensure that all staff, volunteers and helpers understand the need to report child protection concerns about a child or a worker's conduct towards a child.

6. Ensure that staff, volunteers and helpers understand their responsibility to refer any child protection concerns to the Shetland Island Council, Duty Social Worker, inline with our child protection procedures.

7. Make referrals in line with the Shetland Inter-Agency Child Protection Procedures which we approve and adopt.
8. Ensure that staff, volunteers and helpers are provided with support and the opportunities to develop their skills and knowledge in relation to child protection issues.

This was adopted as the Child Protection policy of
